

Review the two posted items on issues related to public health and post twice. The first posting is worth 9 points. For the first posting you need to quote or paraphrase **three items from at least two of the different media files or links I posted** that surprised, interested, and/or upset/annoyed you. For each item you must **specify which item you are commenting about** and explain why it made you feel this way. To facilitate grading, you need to enumerate the items in your first post. Here is a sample post:

1. 1) The article on ... was interesting because ...
2. 2) The video on ... was upset me because ...
3. 3) The twitter post on ... surprised me because ...
- 4.

For the second posting you need to respond to one post by another fellow student. The second posting is worth 3 points. For the second posting use the following format:

- 1) I like how because
- or
- 2) I agree/disagree with because or
- 3) This relates tobecause
