1. Read/watch the articles/videos and describe an item that surprised, interested, pleased and/or made you upset and explain why this item made you feel this way.
2. Do you believe it is necessary for people to give up private property for the sake of sustainability? Explain why or why not.

3. In the Forbes article by Ida Auken the author refers to people living outside the city as those who “lost their way.” What do you think? Would you live inside or outside the city in this 2030 scenario? Explain your choice.
